## ALONG THE WHARVES.

There is another acquisition to the steam fleet of the Potomac in the shape of the Palermo. She was bought in Philadelphia a few days ago by Mr. Flatford and has been brought around to enter the wood trade in connection with the Alton and the Occoquan. Capt. C. Woods sails her. The Palermo is, properly speaking, a steam barge. She was built at Richmond, Va., in 1878, and for several years did good service along the James river. Then she was sold to parties at Philadelphia, where she was employed in the manure trade. She is a solid and reliable craft and can make seven miles an hour without straining herself or blowing up her kettle. She arrived today with her first Potomac casixty cords of pine wood from Aquia creek. The familiar tug Stetson has been repainted and is to leave these parts. It is understood along the river front that she has been sold, but the rumer has not been verified. The Stetson has not been engaged for several seasons.

The city council to provide and it shall have no power to withhold the sum reported the school boards and declared to necessary for the proper maintenance and growth of the public schools of the city, but the council shall not be re-quired to appropriate a sum greater than double the amount required from the school funds of the state during the same scholastic year. The law authorizes the council to appropriate a large sum, provided that "it shall have no power to impose a tax on property for school purposes exceeding three mills on a dollar in any one year." The ordinance now laid on the table of the common council to appropriate a portion of the fines toward making a sinking fund to pay off the school mortgages, not being "a tax on property," would enable the city council to provide for the liquidation of the school debt and will leave three mills tax on property available for the growth and mainnance of the schools.

LAST NIGHT'S ALEXANDRIA MUSICALE. The Alexandria Musical Association has probably done as much to refine the taste and elevate the public entertainments of Alexandria as any organization ever established here. It was a success from the start. No seat has ever been vacant at its complimentary entertainments, and on last night, its thirty-sixth rehearsal, was as packed as was its first, given some vears ago. The music was in charge of Mr. D. Gambrill, formerly of Georgetown, now re The music was in charge of Mr. T. dent here. The selections, ten in number, which appeared on the printed program, were extended by many encores that a delighted audience called out. Besides the selections rendered by the orchestra and band Miss Dorothy Byrde Rogers of Washington sang Il Bacio and Testi's "Good Bye," adding on the encore of the assembly, "Love's Sorrow," by Shelley, and "Creole Love Song," by Smith. Miss Rogers' singing was much admired. Mr. Wm. Gross-kruth of Washington gave the "Three Star Polka" as a cornet solo and was loudly encored. Alexandria's sweet voices found barmonious representatives in the Misses Rathbone and Messrs. S. K. Field and Geo. R. Evans, who Venience of the lature is to be attended to.

Handsome new reception rooms for ladies and children have been fitted up in a luxurious rendering worthy of their reputation. The music was superb throughout and the audience would have gladly remained half the night entranced by "the concord of sweet sounds."

Georgetown's prize boxer, Joe Bateman, is to fight in Baltimore on the 12th. The man with whom he is to have the go is Chase of the Neptune Club of the monumental city. Chase has been locally dubbed the Cyclone, and is reported to have knocked out everything he has run up against. The people of Georgetown think that he will this time strike a snag. The men are to fight at 115 pounds and will wear light gloves. It is to be a fight which is to command a good deal of attention, both in amateur and professional circles, because Bate-man and probably Chase are going to enter the ring next season. Chase is the victor of about a dozen bouts and has never been whipped. Bateman has the same enviable record and a longer list of victories than the man he is meet. The only trouble that Georgetown fears is that her champion's right hand may not be in firs:-class condition. This is a result of his fight with Lynch at the C. A. C. a couple of weeks o. Bateman's right thumb was knocked out place and his middle knuckle is weak. It may be all right in time, but his partisans seem to fear that it will not. He says that he will fight under any circumstances and rely on his worthy left to do the work. He is training pretty hard now and working six hours per day. George Carter and Dr. Von Lengrin are handling him, and he is gradually coming down to weight.

I OWE ALL TO HOOD'S.

SICK VOMITING SPELLS, DIZZINESS, NEURAL-GIA. WEAKNESS.

ALL CURED-NOW IN PERFECT HEALTH-WEIGH MORE THAN EVER.

A FRANK, INTERESTING STATEMENT. "In reading the daily papers I have often seen state ments from people who have been benefited by Hood's Sarsaparilla, and I fee, that I AM NOT DOING JUS-TICE unless my testimony is added to others. I have been suffering with sick vomiting spells for three or four years, with giddiness, and was most of the time almost perfectly prostrated. I had no appetite and suffered also with neuralsia in my head and eyes. I was treated for two years by the best physician in town and by other doctors, but found no relief. They would tell me my condition was

OWING TO MY AGE. And that I must have patience. But after two years thought it time patience should cease to be a virtue. I was growing so weak I could not sleep at night. And when I was able to go out, I was AFRAID TO GO FAR FROM HOME. I was constantly tired; I could not go up or down stairs or raise my arms above my head without giddiness, and was so afraid to look up that I became accustomed to ling my head down.

was persuaded to take Hood's Sarsaparilla, and after using four bottles my improvement in health is WONDEBFUL. I candidly believe I am CURED OF ALL MY AILMENTS. My appetite is good, can eat any time, am free from neuralgia and other troubl I NEVER FELT SO WELL

Nor was as stout as now since I was married, and am mother of nine children. I have increased from 125 to 143 rounds. I am PERFECTLY WELL, go out every day. When my friends ask what has made such an improvement I tell them I owe it all to HOOD'S SARSAPARILLA

I have persuaded to take Hood's Sarsaparilla are also deriving benefit from it." MRS. S. M. WATERS, 1213 32d street northwest, Georgetown, D. C.

ECZEMA AND SCROFULA

CUTICURA. SAVED WIFE AND TWO CHILDREN'S LIVES BY USING CUTICURA REMEDIES.

LOST TWO CHILDREN BEFORE HE TRIED

I have found the CUTICURA REMEDIES to be st what you recommend them. My wife was covere di over with pimples and tortured nearly to deat with Eczema, as the doctor called it. I have never found anything so good for a family that is troubled with Scrofnia and Blood and Skin Diseases. I believe the CUTICURA REMEDIES saved the lives of my die and two children. I lost two children with Eczems and Scrofuls before I tried these remedies, and the two living had as bad cases of Eczema and Scrofula as the two that died. CUTICURA REMEDIES completely cured them, and they have saved their lives as well as that of my wife. These words are, every one, true. I can refer you to my neighbors. I have saved \$100 in doctors bills, and our lives, by using them. May God send this into the homes of many families who have never heard of CUTICURA REMEDIES. J. N. SMITH, Cotton Mill, Anderson C. H., S. C.

I have used your CUTICURA REMEDIES for ec zema and found them as recommended. I tried every noted physician in Knoxville and the county and re-CURA SOAP and CUTICURA RESOLVENT per directions, and they cured me in four months.
